

THE GOVERNMENT  
OF THE GRAND DUCHY OF LUXEMBOURG  
Ministry of the Economy

Maritime Administration

Luxembourg, 24 July 2024

## **Circular CAM 02/2024**

O/Ref.: JS/117905

**Subject: Q&A on the FuelEU Maritime Regulation**

To: All Accredited Shipping Managers, ship owners, ship operators,  
Designated Persons Ashore, Masters of Luxembourg flagged ships,  
Recognised Organisations and Flag State Inspectors

The present Circular brings to your attention the above-mentioned Questions and Answers on Regulation (EU) 2023/1805 on the use of renewable and low-carbon fuels in maritime transport, and amending Directive 2009/16/EC, which can be found through the following link:

[Questions and Answers on Regulation \(EU\) 2023/1805 on the use of renewable and low-carbon fuels in maritime transport, and amending Directive 2009/16/EC - European Commission \(europa.eu\)](https://european-commission.europa.eu/questions-and-answers-on-regulation-eu-20231805-on-the-use-of-renewable-and-low-carbon-fuels-in-maritime-transport-and-amending-directive-200916ec)

The document contains 52 questions and answers that should help companies and authorities to understand, implement and comply with the FuelEU Maritime Regulation.

You are kindly requested to ensure adequate dissemination of this information within your company and to the relevant parties.

(s) André Hansen  
Government Commissioner  
for maritime affairs
